MDL No. 3047

Case No. 4:22-md-03047-YGR-PHK

**STATE ATTORNEY GENERAL
PLAINTIFFS' AND META
DEFENDANTS' JOINT SUBMISSION
REGARDING STATE AGENCIES
PURSUANT TO DISCOVERY
MANAGEMENT ORDER NO. 3**

Honorable Yvonne Gonzalez Rogers
Honorable Peter H. Kang

Pursuant to the Court's Discovery Management Order No. 3 (Dkt. 667), the State Attorneys General and Meta Defendants submit the following chart. Meta identified the list of agencies. The State Attorneys General have prepared a response with regard to each listed entity. The consolidated chart is below.

No. ¹	Agency Name ²	Category 1 - If served with a subpoena, this entity would not be represented by the Attorney General's Office.	Category 2 - Upon receipt of a subpoena, this entity has discretion to utilize its in-house counsel or retain outside counsel, which could include the Attorney General's Office, or in some cases, private counsel. Unless and until an actual Rule 45 subpoena has been served, the State Attorneys General cannot speculate as to how this entity may choose to exercise its discretion. ³	Category 3 - If served with a subpoena, this entity would be represented by attorneys from the Attorney General's Office. In most cases, these lawyers would not be members of the prosecution team, but rather lawyers in other divisions of the Attorney General's Office.
1	Arizona Board of Regents	x		
2	Arizona Commerce Authority	x		
3	Arizona Department of Child Safety			x

¹ The State Attorneys General have requested the opportunity to submit further letter briefing on these issues to be submitted by March 15, 2024. Meta does not oppose this request. In providing the information in this joint submission, the State Attorneys General reserve all rights to object to discovery requests.

² The following list represents Meta's good-faith effort to identify government entities that may possess information relevant to the claims or defenses at issue in the cases brought by the Plaintiff States against Meta in this MDL. In the event that Meta becomes aware of additional entities that may possess relevant information, Meta may supplement this list.

³ With respect to certain agencies in a subset of states, the agency may request representation by the State Attorney General, who would assess each request and may accept or decline it. In other cases, the agency requires the consent of the State Attorney General to be represented by in-house or private counsel. In some cases, the agency would be represented by in-house counsel in responding to a subpoena, but in the event of motions practice related to the subpoenas, would be represented by outside counsel to appear in court, which could include lawyers from the State Attorney General's Office.
